Honorable Chairman Archambault,

On behalf of the First Peoples Caucus under the United States Student Association, we offer our unwavering support to the people of the Standing Rock reservation and to all relations who are protectors of Mother Earth. We stand in solidarity with all indigenous people who have to fight for a right to water, a fight that shows our history with the federal government and blatant disregard for treaties signed with our ancestors. We stand with you in this battle against oppressors and all those who have funded the Dakota Access Pipeline.

Sincerely,

Chelsea Nicole Baloo (Diné)
Chair, First Peoples Caucus
